

BUILD-A-THON

t h e e x c i t e m e n t s b u i l d i n g

Habitat for Humanity of South Hampton Roads (Habitat SHR) is having its first annual **Build-a-Thon!** The Build-a-Thon is an exciting community event that brings together volunteers, donors and community supporters to raise money and awareness for Habitat SHR. Much like a Walk-a-Thon, the Habitat SHR Build-a-Thon asks volunteers to engage friends and family in making affordable housing a priority by sponsoring their volunteer hours for Habitat. ***Why walk when you can build?***

Who: YOU! In just a few minutes (registering is easy)
You have the power to CHANGE LIVES!

What: Participants sign up for a half-day volunteer shift with Habitat SHR and ask friends and family to sponsor their hours by donating to Habitat SHR through their personal fund raising webpage.

*You don't have to work on the job site to fundraise! You can still volunteer in our office or as a Build-a-Thon sponsor!

Where: Two Habitat SHR homes on Red Mill Boulevard in Virginia Beach

When: October 8–16, 2010

Why: We have an affordable housing crisis in Hampton Roads and this must change! ***Lead the way.***

Join the Build-a-Thon!

How: Register today by submitting your \$25 registration fee and see more event details at www.shrhabitat.org. As a volunteer there are many ways to participate...

- Volunteer during the Build-a-Thon at our four-unit townhome project in Virginia Beach
- Lead a team! Challenge your friends to participate in the Build-a-Thon and set a team fundraising goal!
- Raise money through your own personal fundraising page that you can update with your own pictures, stories and sponsorship progress!

Questions? Contact the Build-a-Thon team at build_a_thon@shrhabitat.org or call 757-640-0590.

900 Tidewater Drive, Norfolk, VA 23504
