

Habitat
for Humanity®
South Hampton Roads

is proud to introduce Habitat for Heroes:

Home buying partnership with Veterans of the United States Armed Forces

Did you know...

- In 2009, of the 21.9 million military veterans in the U.S., 4.3 million were renters?
- Of those renters, 675,000 earned 30%-50% of the area median income?
- 72,000 families of post-9/11 veterans pay more than half their incomes in rent?

Apply! We are seeking Veterans of the United States Armed Forces and their families who meet Habitat's family selection criteria of need, income limits, and willingness to partner with Habitat.

Donate! Financial and in-kind donations are appreciated for our first-ever Heroes build. Visit our webpage below to make a secure on-line contribution and see the Wish-List for the anticipated build.

Volunteer! All of our homes are built with strong support and various talents of volunteers. Learn about different opportunities at one of our monthly orientations. Military groups may contact the Veterans Program Coordinator to host an orientation at their command.

To apply, donate or volunteer, reach our Veterans Program Coordinator at (757) 640-0590 x218 or heroes@shrhabitat.org.
